Letter of Reference for Jan Stansel and Heart Strings Pet Sitting Service

Allison and I have enjoyed the professional pet sitting, dog walking and in-home boarding services of Jan Stansel and her company, Heart Strings since we brought home our new Labrador puppy "Hannah" in the spring of 2008. Jan was recommended by both of my adjacent neighbors so we gave her a try. Our family, especially Hannah, have since been very pleased with her care.

My wife and I have very inconsistent schedules that include many changes that Jan was always able to accommodate. Jan graciously provided weekend and weekday in-home boarding, often with very little notice. Heart Strings more routinely provided dog walking services for us an average of three days a week. Jan normally came to the home around midday and cheerfully greeted our equally cheerful dog, then took Hannah on a nice walk.

We highly recommend Jan Stansel and Heart Strings. If you have any questions, please feel free to contact us at chilligans@gmail.com.

Sincerely

Chris and Allison Hill
